Agreement for Services, Payments and Insurance Assignment and Release for Benefits

I understand that I am financially responsible for all charges incurred by me or my dependents and agree to pay for all charges not covered by my insurance company. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company. By consenting to treatment, I acknowledge financial responsibility for completed work.

I hereby assign my insurance benefits directly to Dr. Jon Vongschanphen and authorize the release of information necessary to secure the payment of benefits and authorize the use of my signature on all insurance submissions.

Patient Payments are collected on the day services are rendered. As a condition of your treatment by this office, financial arrangements must be made in advance. A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form or my dental treatment.

The highest level of care and quality is placed in providing our patients with the best that dentistry has to offer. Unfortunately, we are unable to predict the longevity of any dental restorations. This is particularly true if there is a history of clenching, grinding, TMJ, broken crowns, and fillings.

To the best of my knowledge, I hereby certify that the above personal and insurance information is correct. I have read the above conditions of treatment and payment and agree to their content.
